

SuperScrape™

With Multi-Color Logos...

SuperScrape with logos offer a great way to promote your company's image and brand. Put your company logo or a unique message on the industry's finest outdoor mat!

SuperScrape mats are perfect for entryways, providing a slip-resistant surface which effectively removes tough dirt, grime and water from feet.

These mats are made with 100% Nitrile Rubber which is ideal for outside entrances, slippery inclines, and production areas. With excellent durability and traction properties, SuperScrape mats are a perfect fit where safety is your goal.
